**ORDINANCE NO. \_\_\_\_\_****AN ORDINANCE REGULATING THE SALE OF  
DOGS, CATS AND RABBITS**

WHEREAS, The Village of Downers Grove is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and as such may legislate as to matters which pertain to its local government affairs; and

WHEREAS, the Village Council of the Village of Downers Grove, pursuant to its home rule powers, has the authority to adopt ordinances and to promulgate rules and regulations that pertain to its government and affairs and protect the public health, safety and welfare of its citizens; and

WHEREAS, a significant number of young dogs, cats and rabbits sold at pet stores come from large-scale commercial breeding facilities where the health and welfare of the animals are not adequately provided for ("puppy mills", "kitten mills" and "rabbit mills", respectively). According to the Humane Society of the United States, it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in the United States and that most pet store dogs and cats, and many pet store rabbits, come from puppy mills, kitten mills and rabbit mills; and

WHEREAS, the documented abuses in puppy and kitten mills include over-breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water and shelter; lack of socialization; lack of adequate space; and lack of adequate exercise. The inhumane conditions in puppy, kitten and rabbit mill facilities lead to health and behavioral issues in the animals bred in those facilities, which many consumers are unaware of when purchasing animals from pet stores due to both a lack of education on the issue and misleading tactics of pet stores in some cases. These health and behavioral issues, which may not present themselves until sometime after the purchase of the animals, can impose exorbitant financial and emotional costs on consumers; and

WHEREAS, current Federal, State and County regulations do not properly address the sale of puppy, kitten and rabbit mill animals in pet stores; and

WHEREAS, restricting the retail sale of puppies, kittens and rabbits to only those sourced from animal care facilities, rescue organizations or humane societies, is likely to decrease the demand for mill-bred puppies, kittens and rabbits; and

WHEREAS, this Ordinance will not affect a consumer's ability to obtain a dog, cat or rabbit of his or her choice directly from a breed-specific rescue organization or a shelter, or from a hobby breeder where the consumer can see directly the conditions in which the dogs, cats or rabbits are bred, and where the health, temperament and best interests of the animal are placed before profit; and where the breeder is committed to the animal for life; and

WHEREAS, the Village Council believes it is in the best interests of this Village to adopt reasonable regulations to reduce costs to the Village and its residents, protect the citizens of the Village who may purchase cats, dogs or rabbits from a pet store or other business establishment, help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more humane environment in the Village.

NOW, THEREFORE, BE IT ORDAINED by the Village Council of the Village of Downers Grove in DuPage County, Illinois, as follows: (Additions are indicated by **shading**/underline; deletions
